Dear General:

STATOTHR

[REDACTED] who was sent by you, came in to see me on Friday. He had already gone through Personnel and had made a good impression.

STATOTHR

Like [REDACTED], he presents the type of case we should work closely on in the interests of career service. I therefore referred him to the Training Division, whose job it will be to follow up on such cases.

I really believe you should start charging a fee for each one we finally hire.

Very truly yours,

LAWRENCE R. HOUSTON
General Counsel
